

# GEOINT 2011

## TOOLS & USER WORKSHOP INVITATION

Location: Canadian War Museum, 1 Vimy Place, Ottawa, ON  
When: October 12th and 13th, 08:00 - 16:00 (DAY 1 & 2)  
Classification: Unclassified  
Cost: Free of Charge

ImStrat Corporation of Carleton Place Ontario and OverWatch Systems of Austin Texas are pleased to invite you and your user and technical staff to the 2011 GEOINT Tools and User Workshop at the prestigious Canadian War Museum in Ottawa Ontario.

This year's workshop is focused on the effective use of the RemoteView product line within a workflow environment. The environment used will be based upon what a Geospatial/Imagery Intelligence Analyst would normally produce and use in support to the Intelligence Preparation of the Environment (IPOE). In light of this, not only will RemoteView Pro be demonstrated, but a complete range of integrated product lines that present users have or have access too. Software's including:

- *RemoteView Pro 3.08 to 3.2* - Imagery Exploitation Software,
- *3D Pro* - 3-dimensional product generation and mission planning application,
- *V-Trac Professional* - Real time and Near Real Time Motion Video analysis application,
- *RV Pin-Point* - Targeting product generation application,
- *Feature Analyst* - Automated Feature Extraction application,
- *Lidar Analyst* - Elevation data production software for Lidar data,
- *RV Connect* - RV Pro and ArcGIS interoperability application, and
- *IM-PACT* - Data collection, fusion, visualization and analysis.

This workshop is a joint effort between ImStrat Corporation and OverWatch Systems. Both companies will be bringing teams of user and technical specialists together from Canada and the United States to not only demonstrate and teach how these software's can be effectively used within a workflow environment, but also answer any critical questions users, technical support and managers may have on any aspects of the software's.

Please RSVP to ImStrat Corporation either by email at [imstrat@imstrat.on.ca](mailto:imstrat@imstrat.on.ca) or call our toll free number at 1-877-269-5940 by 7 October, 2011 to book your seat's.

***We hope to see you at this important event!***
